Dear Parents,

In keeping with New Jersey's child care licensing requirements, we are obliged to provide you, a parent at our center, with the attached informational statement.

The statement highlights, among other things: your right to visit and observe our center at any time without having to secure prior permission; the center's obligation to be licensed and to comply with licensing standards; and the obligation of all citizens to report suspected child abuse/neglect/exploitation to the State's Division of Youth and Family Services (DYFS).

**Please read the attached statement carefully and return the signed statement of acknowledgment below to the office.** If you have any questions, please feel free to contact any of the Kids Kottage administrative staff.
